To become a Board Approved Supervisor, you must complete one of the following options:

A. Complete a 3-hour graduate psychology course in supervision.

1. Practice as a licensed psychologist or school psychologist for at least 2 years from the date you were initially licensed.
2. Practice psychology ethically and not commit ethical violations.
3. Submit your transcripts reflecting you took the 3-hour graduate psychology supervision course (Official copies should already be on file, so unofficial copies are acceptable only for this purpose.)
4. Submit the course description for the course you took. (This can be copied and pasted directly from your school's course catalog.)
5. Submit a letter in which you attest that you have completed these steps and that you shall meet all your responsibilities described in the Supervision Contract when you initiate the supervision process.

If the Board determines that you have successfully completed these steps, we will send you a letter approving you as a Board Approved Supervisor. Please take time to review the supervision forms (Application for Supervision, part 1; Application for Supervision, part 2; and Supervision contracts.) There are separate contracts for the doctoral level, masters level, and school psychologists. ***Prior to initiating supervision, after receipt of the notification approving supervisor status, a completed Supervision Contract must be submitted to, and approved by, the Board.**
